

MEDIA-KIT 2025

Characteristics

Print run : **2085 exemplars** (notarial certification, 2023)

Founded in 1898, *La Revue POLYTECHNIQUE* has been an important information source over 120 years for industrial decision-makers in French-speaking Switzerland. Particularly well received among company and purchasing

managers who seek to broaden their knowledge, this must-have publication also reaches factories and universities.

Editorial program

*The editor reserve the right to amend this agenda in case of unforeseen circumstances.
Exhibitions dates are subjects to change.*

MEDIA-KIT 2025

Characteristics

Print run : **2085 exemplars** (notarial certification, 2023)

La Revue POLYTECHNIQUE has a certified average monthly circulation of 2085 copies. The print run is increased according to the trade fairs and exhibitions where the magazine is distributed. Its 4000 readers in Switzerland and around the world place their trust every month in an editorial reputation that has stood

the test of time for more than a century. As one of the most widely read technical magazines in Switzerland, this publication offers the best market penetration in French-speaking Switzerland for advertisers who want to give their ads the best chance of being seen and read.
